"But do not forget to do good and to share, for with such sacrifices God is well pleased." Hebrews 13:16

Our mission is to bring glory and honor to our Lord Jesus Christ through service to women in Africa by meeting a physical need as an avenue to demonstrate Christ's love and share His gospel with them.

"I brought one kit in my suitcase...they were so excited that they were scrambling for the pads so the kit was divided up with five ladies getting one each...they are really eager to get more..."  
Missionary in Ghana, Africa

**Project Patricia** sews cloth washable, reusable maxi pads for women and girls in African countries. Each woman and girl receives a kit containing five pads and a waterproof storage bag.

**Project Patricia** works with individual missionaries and missions groups to carry and distribute the kits. **Project Patricia** also partners with Hands on Africa to distribute kits.

#### Ways To Help:

- Prayer.
- You can host a sewing day at your church. For more information, please e-mail us.
- Material or Monetary donation.
- Attend a sewing day. Check our event calendar at [ProjectPatricia.org](http://ProjectPatricia.org).
